

TURLEY

2021 TURLEY “ESTATE VINEYARD” CABERNET SAUVIGNON, NAPA VALLEY

HISTORY

Certified organic, single vineyard, pure Napa Valley Cabernet Sauvignon--not a statement that can be made by many! Planted in 1989 on the volcanic and alluvial soils found in northern Napa Valley, this vineyard forms the eastern border of the Turley estate and is framed on two sides by ancient, majestic oak trees and a 150-year-old olive grove.

TASTING NOTES

Certified organic, estate-owned and single-vineyard fruit from our home in the heart of Napa Valley. This wine is an instant classic, over-delivering on dark currant and cassis, savory notes of garrigue, ink, and freshly roasted coffee on the nose. Complex, structured, and quite serious on the palate, with a surge of juicy, ripe red raspberry fruit providing exquisite balance. Decant and ready to drink now at 60°-65°F.

AVA: Napa Valley

Sub-AVA: Saint Helena

Soil: Volcanic, Alluvial

Plantings: 1989
